Below each picture, please provide a brief description.</p> <p>The course was held for understanding the role for a curator in zoo or museum.</p> <p>Zoo and Museums for fun, but not only the aspects but also for development of the knowledge. We cleaned gorilla and mandrill's cage as a zookeeper experience. We also went to junior high school to take a look science class that was held by a JMC curator. Curators in JMC try to enlighten students on the primates and importance for conservation them. I understood JMC staff and curators aim JMC to better place for primates and education to students.</p> <p>●JMC curator had a class in Junior high school●</p>
