

Research Activity Report
Supported by “Leading Graduate Program in Primatology and Wildlife Science”
 (Please be sure to submit this report after the trip that supported by PWS.)

	2014. 10, 02
Affiliation/Position	Wildlife Research Center / Project Assistant Professor
Name	KISHIDA, Takushi

1. Country/location of visit
Tanzania / Arusha, Ngorongoro, Zanzibar
2. Research project
Attending the 3rd International Workshop on Tropical Biodiversity and Conservation
3. Date (departing from/returning to Japan)
2014. 09. 20 – 2014. 09. 30 (11 days)
4. Main host researcher and affiliation
5. Progress and results of your research/activity (You can attach extra pages if needed)
Please insert one or more pictures (to be publicly released). Below each picture, please provide a brief description.
<p>During this visit, I attended the 3rd International Workshop on Tropical Biodiversity and Conservation in Arusha, and field trips to Ngorongoro conservation area and Zanzibar. In Ngorongoro, a lot of famous mammals could be observed, and a troop of Indo-Pacific bottlenose dolphins could be observed in Zanzibar.</p> <div style="display: flex; justify-content: space-around; align-items: flex-start;"> <div style="text-align: center;">  <p>A bird's-eye view of the Ngorongoro conservation area from the top of the Ngorongoro Crater.</p> </div> <div style="text-align: center;">  <p>A herd of gnus in Ngorongoro.</p> </div> </div>
