

Research Activity Report
Supported by “Leading Graduate Program in Primatology and Wildlife Science”
(Please be sure to submit this report after the trip that supported by PWS.)

2014.11.20

Affiliation/Position	Wildlife Research Center/M1
Name	Kaede Mizukoshi

1. Country/location of visit
Kushiro, Hokkaido, Japan
2. Research project
Vocalization and ID research of killer whales in Hokkaido
3. Date (departing from/returning to Japan)
2014. 10. 9 - 20 (12 days)
4. Main host researcher and affiliation
Hokkaido orca research project team
5. Progress and results of your research/activity (You can attach extra pages if needed)
Please insert one or more pictures (to be publicly released). Below each picture, please provide a brief description.
I joined the killer whale’s research in Kushiro, Hokkaido for 10 days. We could sail seven times and found killer whales on 19 th October. And we could collect acoustic data and ID photo data. Our next research will be held in next year, but we have to think the study season and period.
