 (Please be sure to submit this report after the trip that supported by PWS.)

	2017.07.28
Affiliation/Position	Wildlife Research Center/M1
Name	Momoko Oka

1. Country/location of visit
Nigata, Myoko-kogen
2. Research project
Sasagamine Course
3. Date (departing from/returning to Japan)
2017. 07.18 – 2017. 07. 21 (4days)
4. Main host researcher and affiliation
Kyoto University Sasagamine Hutte
5. Progress and results of your research/activity (You can attach extra pages if needed)
Please insert one or more pictures (to be publicly released). Below each picture, please provide a brief description.
<p>7/18 Arrival day, Guidance of the course, Short excursion 7/19 Excursion to Karasawa and Kozawa 7/20 Climbing Mt. Hiuchi 7/21 Lectures on rope work and bivouac instruction, Departure day</p> <p>The purpose of this Sasagamine course was to learn the basic knowledge for fieldwork and to enjoy the nature of Sasagamine. I have learnt many things (how to use zelt, how to walk in the forest, etc.). The climbing of Mt. Hiuchi was quite hard, but the landscape was great and it was very enjoyable.</p> <div style="display: flex; align-items: flex-start;">  <div style="margin-left: 10px;"> <p>Pic.1 Walk in the forest, listening the lecture by Sugiyama-sensei</p> </div> </div>
