2018. 02, 28	
Affiliation/Position	Wildlife Research Center/D2
Name	Kei Matsushima

1. Country/location of visit
Inuyama, Aichi / Primate Research Institute
2. Research project
Buddha Seminar
3. Date (departing from/returning to Japan)
2018. 2. 27 (1day)
4. Main host researcher and affiliation
Primate Research Institute, Kyoto University
5. Progress and results of your research/activity (You can attach extra pages if needed)
Please insert one or more pictures (to be publicly released). Below each picture, please provide a brief description.
<p>I attended Buddha seminar in Primate Research Institute. In this seminar, we have learned about law relating to dealing with wildlife samples. There were two speakers; Akira Rokusha from Keio University and Prof. Hiroshi Isozaki from Jochi University. We sometimes make a contract with foreign facilities, but we are usually not aware of the laws behind them. This is fruitful seminar for me to confirm the importance of the knowledge of the laws.</p>
