5. Progress and results of your research/activity (You can attach extra pages if needed)
Please insert one or more pictures (to be publicly released). Below each picture, please provide a brief description.
<p>I visited to Mikura island to talk about my study to the local people there. I and Mr. Kogi adjusted the schedule for some graduated members of university to join. We aimed to tell the progress results of each study, so that the local people would be interested in wild dolphins from the perspective of academic to understand and translate these information to the tourists joining the watching tour in Mikura island. Moreover, we hope that the local people know the value as the good place for the fieldwork researches.</p> <p><Schedule> 25th March Movement to Mikura from Kyoto 26th March Pre-meeting for the reports with Mr. Kogi, Greeting for the local people, Presentation 19:00-21:30 27th March Movement to Kyoto from Mikura</p> <p>Joint report presentation: Night talk of Mikura’s dolphins for 6 titles by 5 persons. Kasumi SAKAKIBARA (Wildlife Research Center of Kyoto university) Mi Yeon KIM (Wildlife Research Center of Kyoto university) Kimika TSUJI (Wildlife Research Center of Kyoto university) Yoshimi KAYAYAMA (Tokyo university of Marine science and Technology) Koyuki AKUZAWA (Nihon university) Yuri NISHIMURA (Teikyo universtiy)</p>
