

SUMMARY OF PREVIOUS SEMINAR

CICASP Seminar in Science Communication #151

Professional Email Communications for Academics

5PM–6PM, Wednesday, February 24, 2021 (on Zoom)

CICASP held a seminar to discuss how best to write a proper email to another scientist (whom you have never met) to ask about collaborative research or postdoc opportunities. We discussed the **basics of writing business emails for academic purposes** (e.g., appropriate tone and language) and offered practical suggestions based on the experiences of CICASP faculty members. It was the last seminar of the academic year 2020-2021!
